PROFESSIONAL SUMMARY

Motivated MERN Stack Developer with practical knowledge of MERN stack web development and modern web technologies. Skilled in building responsive, interactive, and user-friendly web applications using React.js, Node.js, Express.js, and MongoDB. Focused on writing clean code, developing efficient functionality, and creating seamless user experiences. Passionate about exploring new technologies, improving development skills, and delivering scalable web solutions through real-world projects.

EXPERIENCE

MERN Stack Developer Intern | MDIDM INFOWAY

- Developed responsive and dynamic web applications using the MERN stack.
- Worked with ReactJS to build reusable and interactive user interfaces.
- Developed backend APIs and server-side functionality using NodeJS and ExpressJS.
- Worked with MongoDB for database management and CRUD operations.
- Created responsive layouts using Tailwind CSS and Bootstrap.
- Used GitHub for source code management and project collaboration.

PROJECTS

1. Sanatan Gym & Fitness Club

Duration: 1 Year

MERN Stack Project

Developed a MERN stack gym management web application featuring a responsive user interface, secure login authentication, role-based authorization, and an admin panel. Implemented BMI Calculator, membership plans, gym services, accessories management, and user interactions.

2. Transport Management System (TMS)

MERN Stack Project

Developed a MERN stack Transport Management System featuring an Admin Panel with centralized control over companies, TT Owners, vehicles, drivers, trips, payments, and subscriptions. Implemented role-based authentication, request workflows, and document verification.

3. Neelkanth Electrical Technologies

MERN Stack E-Commerce

Developed a MERN stack e-commerce web application enabling customers to browse products, register/login securely, and purchase items online. Implemented discount management, automated bill generation, downloadable invoices, and an admin management panel.

EDUCATION

Bachelor of Computer Applications (BCA)

2020-2023

SMT. CZMG BCA College, Jamnagar | Percentage: 64%

TECHNICAL SKILLS
